NOTICE TO VEHICLE DRIVERS

- Please be aware of moving vehicles and any trip hazards on the vehicle deck, and use caution when navigating in the vicinity of cargo securing chains and / or equipment.
- Once parked on the vehicle deck, please leave your car in gear with the hand brake / park mode applied. Any towed items should also have brakes applied.
- Please disable any alarm system as the ship's motion may activate it.
- There is restricted access to the vehicle deck whilst at sea.
- If you are travelling with a caravan or camper please ensure that gas cylinders are turned off / isolated.
- Do not use mobile phones whilst moving around ports or on the vehicle deck.
- Smoking is prohibited on the vehicle deck.
- Please do not start engine or manoeuvre until instructed to do so.

In the morning (Aberdeen and Lerwick arrivals only)

- Only the driver needs to come down to the vehicle deck (when called) to remove their vehicle. Passengers are welcome to stay onboard until 0800 (Aberdeen) and 0830 (Lerwick).
- Please be aware of moving vehicles and any trip hazards on the vehicle deck, and use caution when navigating in the vicinity of cargo securing chains and / or equipment.
- Drivers wishing to return to the ship after disembarking their vehicles should go back into the passenger terminal, through the walkway and show your boarding card to security.

Please turn over
